

Pack 113 Newsletter

Corrections: Missed Den 5 Popcorn Sales

Welcome back Pack 113, this is the 1st newsletter of our 2007-2008 edition. I am a little slow getting underway due to some extenuating circumstances. But we have not been without scouting activity. Over the summer we had scouts camping at Camp Ware, the leaders have been busy, meeting and setting up the pack schedule, we have recruited some new leaders for those that departed last year, and we held our schoolnight for scouting. We have picked up 21 new scouts, composed of 17 tigers, 2 bears and 2 wolves and there are more coming!

Sep 23, 2007 Pack Meeting – Pennsylvania Live Steamers!

So what are the Pennsylvania Live Steamers? No it is not a group of dedicated clam steamers, and not a bunch of keystone state hotheads, but a unique group of folks who actually build and run scale model trains that run on steam and electricity. This is truly a wonderful place to visit, both adults and scouts will be amazed the size and breadth of this hobby. The Steamers will host us. We will hold a formal meeting and kickoff beginning at 1:00PM THIS SUNDAY, the 23rd. So please plan accordingly.

Unfortunately, I will not be there, but John Lotz our new Pack Commissioner will be there to kick off the new year as will your Den Leaders.

Directions, check the website:

Oct 21, 2007 Pack Meeting

October Pack meeting: This will be another Sunday pack meeting. We have not yet nailed down the place, we are looking at a scavenger hunt at the Philadelphia Zoo, but the price looks too steep right now. But we have not yet given up, since we have some adult scout connections! If not we will go to a corn maze and have fall activities. Stay Tuned

POPCORN

This is POPCORN selling time and it is coming up fast and furious. John Rein has arranged 5 selling times for us, and the den assignments follow. Some rules first though:

1. There must be an adult present at all times, recommend 2
2. There should be between 2 and 4 scouts present, 1 is too little and more than 4 is too much.
3. Wear your uniform.
4. Best length of time is 1.5 to 2 hours per shift
5. Please arrange these times within your dens.

Remember, this is our pack's main source of income!
